Independent Auditor's Report

To the Circuit Clerk and
County Board of Rock Island County, Illinois
Rock Island, Illinois

We have audited the accompanying financial statement of the Fiduciary Fund of the Rock Island County, Illinois Circuit Clerk, a department of Rock Island County, Illinois, as of and for the year ended November 30, 2010, as listed in the table of contents. This financial statement is the responsibility of Rock Island County, Illinois Circuit Clerk's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the financial statement presents only the Fiduciary Fund of the Circuit Clerk, a department of Rock Island County, Illinois, and are not intended to present fairly the financial position of Rock Island County, Illinois or Rock Island County, Illinois Circuit Clerk and its changes in financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of the Circuit Clerk's Fiduciary Fund of Rock Island County, Illinois, as of November 30, 2010, in conformity with accounting principles generally accepted in the United States of America.

Rock Island County, Illinois Circuit Clerk has not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America regard as necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued a report dated April 28, 2011 on our consideration of the Circuit Clerk's internal control over financial reporting of the Fiduciary Fund and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting of the Fiduciary Fund and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the financial statement of the Circuit Clerk's Fiduciary Fund. The accompanying supplementary information is presented for the purpose of additional analysis and are not required parts of the financial statement. Report J provides relevant information that is not provided by the Fiduciary Fund financial statement, and is not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. Report J is based on guidelines of the Administrative Office of Illinois Courts. The supplementary information has been subjected to the auditing procedures applied in the audit of the financial statement and in our opinion, is fairly stated in all material respects, in relation to the financial statement taken as a whole.

Note 1. Reporting Entity and Nature of Operations and Description of Funds and Significant Accounting Policies

Reporting entity and nature of operations:

The fiduciary fund financial statement of the Rock Island County, Illinois Circuit Clerk (Circuit Clerk), a department of the Rock Island County, Illinois (County) has been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting practices.

The Statement of Assets and Liabilities – Fiduciary Fund, Agency Fund reflects only the Fiduciary Fund of the Rock Island County, Illinois Circuit Clerk and is not intended to present the financial position of Rock Island County, Illinois or Rock Island County Circuit Clerk. This report is prepared to meet the Circuit Clerk Audit Guidelines required by the Administrative Office of Illinois Courts.

Description of funds and significant accounting policies:

The Agency Fund is custodial in nature and does not present results of operations or have a measurement focus. Agency funds are accounted for using the accrual basis of accounting. The Circuit Clerk Fund is used to account for assets that the Circuit Clerk holds for others in an agency capacity, such as court ordered fees collected per state statutes.

Investments, which consist of investments in the Rock Island County investment pool, are solely invested in money market depository accounts. Investment earnings on Circuit Clerk Agency Fund investments are recognized as revenue in the County's General Fund since such earnings are considered available to finance the general operations of the County.

Note 2. Cash and Cash Equivalents

Authorized investments: The County is authorized by state statutes and their investment policies to make deposits in interest bearing depository accounts in federally insured and/or state chartered banks and savings and loan associations, or other financial institutions as designated by ordinances, and to invest available funds in direct obligation of, or obligations guaranteed by, the United States Treasury or agencies of the United States, money market mutual funds whose portfolios consist of the government securities, Illinois Funds Money Market Funds and annuities. The County maintains a pool for certain funds where the resources have been pooled in order to maximize investment opportunities; income from investments is allocated between the funds who own shares in the fund. The pool is in money market depository accounts. As of November 30, 2010, the Circuit Clerk Fund held no investments.

Interest rate risk: Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The County's investment policy does not limit the investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit risk: Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The Circuit Clerk Fund's monies are held with money market funds which are considered cash equivalents and are subject to credit risk.

Notes to Financial Statement**

Note 2. Cash and Cash Equivalents (Continued)

Concentration of credit risk: The County's investment policy is to apply the prudent-person rule: Investments shall be made utilizing the judgment and care, under the circumstances then present, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investments, considering probable safety of their capital as well as the probable income to be derived. The investment policy further limits the County's investments to be less than 65 percent of the financial institutions' capital and surplus. As of November 30, 2010, the Circuit Clerk Fund held no investments.

Custodial credit risk: Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The County's investment policy allows the County Treasurer to determine whether collateral will be required of the financial institutions. The policy further requires collateral be held for financial institutions with County deposits in excess of 35 percent of the capital and surplus of the financial institution. When collateral is required, 110 percent of the deposit is required and only U.S. Government direct securities, obligations of Federal Agencies or Federal Instrumentalities, obligations of the State of Illinois, obligations of the County of Rock Island, obligations of municipalities located within the County or acceptable collateral as identified in the state statutes may be held as collateral.

As of November 30, 2010, the Fiduciary Fund's bank balance was not exposed to custodial credit risk.

To the Circuit Clerk and

Rock Island County, Illinois
Rock Island, Illinois

We have audited the fiduciary fund financial statement of Rock Island County, Illinois Circuit Clerk, a department of Rock Island County, Illinois, statement of assets and liabilities – Fiduciary Fund, Agency Fund as of and for the year ended November 30, 2010, and have issued our report thereon dated April 28, 2011. Rock Island County, Illinois Circuit Clerk has not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America regard as necessary to supplement, although not required to be part of, the financial statements. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Rock Island County, Illinois Circuit Clerk, a department of Rock Island County, Illinois' internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of Rock Island County, Illinois Circuit Clerk's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Rock Island County, Illinois Circuit Clerk's internal control over financial reporting.

A deficiency in internal controls exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of Rock Island County, Illinois Circuit Clerk's financial statement will not be prevented or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Rock Island County, Illinois Circuit Clerk's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the Rock Island County, Illinois Circuit Clerk in a separate letter dated April 28, 2011.

This report is intended solely for the information and use of the Circuit Clerk, members of the County Board, the appropriate local governments within the County, pass through agencies of the State of Illinois, the Illinois General Assembly and the Governor of the State of Illinois, management and others within the entity and is not intended to be and should not be used by anyone other than those specified parties.
