Independent Auditor's Report

To the Circuit Clerk and
County Board of Rock Island County, Illinois
Rock Island, Illinois

Report on the Financial Statements

We have audited the accompanying financial statement of the Agency Fund of the Rock Island County Circuit Clerk (Circuit Clerk) as of and for the year ended November 30, 2013, and the related notes to the financial statements, which collectively comprise the Circuit Clerk's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Circuit Clerk's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Circuit Clerk's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Circuit Clerk's Agency Fund of Rock Island County, Illinois as of November 30, 2013, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statement presents only the Agency Fund of the Circuit Clerk, and do not purport to, and do not present fairly, the financial position of Rock Island County, Illinois or Rock Island County, Illinois Circuit Clerk as of November 30, 2013 or its changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted management's discussion and analysis information that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statement of the fiduciary fund. The Statement of Changes in Assets and Liabilities – Agency Fund and Report J are presented for purposes of additional analysis and are not a required part of the basic financial statements. Report J provides relevant information that is not provided by the fiduciary fund financial statement, and is not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. Report J is based on guidelines of the Administrative Office of Illinois Courts.

The Statement of Changes in Assets and Liabilities – Agency Fund and Report J are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Statement of Changes in Assets and Liabilities – Agency Fund and Report J are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 25, 2014 on our consideration of the Circuit Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Circuit Clerk's internal control over financial reporting and compliance.

Rock Island County, Illinois Circuit Clerk

Agency Fund

Notes to Financial Statement

Note 1. Reporting Entity and Nature of Operations and Description of Funds and Significant Accounting Policies

Reporting entity and nature of operations:

The Agency Fund financial statement of the Rock Island County, Illinois Circuit Clerk (Circuit Clerk) has been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting practices.

The Statement of Assets and Liabilities – Agency Fund reflects only the Agency Fund of the Rock Island County, Illinois Circuit Clerk and is not intended to present the financial position of Rock Island County, Illinois or Rock Island County Circuit Clerk. This report is prepared to meet the Circuit Clerk Audit Guidelines required by the Administrative Office of Illinois Courts.

Description of funds and significant accounting policies:

The Agency Fund is custodial in nature and does not present results of operations or have a measurement focus. Agency funds are accounted for using the accrual basis of accounting. The Circuit Clerk Fund is used to account for assets that the Circuit Clerk holds for others in an agency capacity, such as court ordered fees collected per state statutes.

Investments, which consist of investments in the Rock Island County investment pool, are solely invested in money market depository accounts. Investment earnings on Circuit Clerk Agency Fund investments are recognized as revenue in the County's General Fund since such earnings are considered available to finance the general operations of the County.

Note 2. Cash and Cash Equivalents

Authorized investments: The County is authorized by state statutes and their investment policies to make deposits in interest bearing depository accounts in federally insured and/or state chartered banks and savings and loan associations, or other financial institutions as designated by ordinances, and to invest available funds in direct obligation of, or obligations guaranteed by, the United States Treasury or agencies of the United States, money market mutual funds whose portfolios consist of the government securities, Illinois Funds Money Market Funds and annuities. The County maintains a pool for certain funds where the resources have been pooled in order to maximize investment opportunities; income from investments is allocated between the funds who own shares in the fund. The pool is in money market depository accounts. As of November 30, 2013, the Circuit Clerk Fund held no investments.

Interest rate risk: Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The County's investment policy does not limit the investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit risk: Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The Circuit Clerk Fund's monies are held with money market funds which are considered cash equivalents and are not subject to credit risk.

Rock Island County, Illinois Circuit Clerk

Agency Fund

Notes to Financial Statement

Note 2. Cash and Cash Equivalents (Continued)

Concentration of credit risk: Concentration of credit risk is the risk associated with having more than 5 percent of investments in any issuer. The County's investment policy is to apply the prudent-person rule: Investments shall be made utilizing the judgment and care, under the circumstances then present, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investments, considering probable safety of their capital as well as the probable income to be derived. The investment policy further limits the County's investments to be less than 65 percent of the financial institutions' capital and surplus. As of November 30, 2013, the Circuit Clerk Fund held no investments.

Custodial credit risk: Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The County's investment policy allows the County Treasurer to determine whether collateral will be required of the financial institutions. The policy further requires collateral be held for financial institutions with County deposits in excess of 35 percent of the capital and surplus of the financial institution. When collateral is required, 110 percent of the deposit is required and only U.S. Government direct securities, obligations of Federal Agencies or Federal Instrumentalities, obligations of the State of Illinois, obligations of the County of Rock Island, obligations of municipalities located within the County or acceptable collateral as identified in the state statutes may be held as collateral.

As of November 30, 2013, the Agency Fund's deposits were not exposed to custodial credit risk.

Rock Island County, Illinois Circuit Clerk

Agency Fund

Note to Report J – Annual Financial Report

Note 1. Basis of Presentation

The accompanying Report J – Annual Financial Report includes activity for the year representing revenue earned by the Circuit Clerk's office and the distribution of funds held by the Circuit Clerk's office in an agency capacity for others. The information in this report is presented in accordance with the requirements of the Administrative Office of the Illinois Courts. Therefore, some amounts presented in this report may differ from amounts presented in, or used in the preparation of, the Agency Fund Financial Statement.

**Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of
Financial Statements Performed in Accordance With
Government Auditing Standards**

Independent Auditor's Report

Independent Auditor's Report
To the Circuit Clerk and
Members of the County Board
Rock Island County, Illinois
Rock Island, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Agency Fund financial statement of Rock Island County, Illinois Circuit Clerk (Circuit Clerk) statement of assets and liabilities – Agency Fund as of and for the year ended November 30, 2013, and the related notes to the financial statements, which collectively comprise the Circuit Clerk's basic financial statements, and have issued our report thereon dated April 25, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Circuit Clerk's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Circuit Clerk's internal control. Accordingly, we do not express an opinion on the effectiveness of the Circuit Clerk's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Circuit Clerk's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Circuit Clerk's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Circuit Clerk's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Circuit Clerk's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Davenport, Iowa
