Freedom of Information Act

Rock Island County Compliance

The 1984 Freedom of Information Act declares it to be the public policy that all persons are entitled to full and complete information regarding the affairs of government and official acts and policies of those who represent them as public offices and public employees.

Rock Island County is in full compliance with this act, as this directory lists all departments and offices as well as records kept in each area. Each Office has been requested to post this information near their entrance.

Questions regarding a specific department or office should be directed to that department or office. Questions regarding the compilation of the directory should be directed to the County Board Office at (309)558-3605.
