**Measures to limit the spread of COVID-19
Effective immediately until further notice**

To help combat the spread of the COVID-19 virus, Rock Island County Sheriff's Office have suspended the following:

- **On-site inmate visitation**
- **Inmate church, family resources, and AA services**
- **Non-essential fingerprinting**
- **No Inmate property drop off (may contact jail for emergency circumstances)**

- **No Sheriff's property sales after March 20th through May 4th**
- **No future evictions will be scheduled**
- **No internships, job shadows, or ride-along**
- **No jail or courthouse tours**

These measures are being taken to protect our employees as well as our citizens. When the pandemic has passed, we plan to reinstate these activities. Thank you for your patience.
